What's Next?

Now that you know where your content gaps are, here's what to do: **1. Prioritize Money Pages First** Money pages (service/product pages) directly impact revenue. Start by creating pages for the highest-value gaps identified above. **2. Build a Content Calendar** Plan out blog posts to fill the informational gaps. Aim for 2-4 posts per month targeting these missing topics. **3. Study Competitor Content** Before creating your content, review how competitors structured their pages. Look for ways to make yours better. **4. Track Your Progress** Run this analysis again in 3-6 months to see how many gaps you've closed.
